As a beginning teacher I knew that it was important to connect with parents and to build a positive relationship with them, but at times I wasn't sure how to do this. In retrospect, I wish I'd asked more questions about their child and then listened more to what they had to say. After twenty years of experience and after sending my own child off to school, here are some questions I'd ask ...

When I ask teachers what their biggest struggles are, one issue comes up on a regular basis: student motivation. You are able to reach many of your students, but others are unreachable. No matter what you try, they have no interest in learning, no interest in doing quality work, and you are out of ideas.

5 Questions to Ask Yourself About Your Unmotivated ...

8. Who should I ask to write my letters of recommendation? Competitive colleges use letters of recommendation to assess your goals and character. Make a list with your counselor of potential recommenders from favorite teachers to coaches to your after-school employer, and strategize about who can best speak to your abilities.
