Every year, US-Polish Trade Council (USPTC) looks again forward to introducing American and Polish business community to the next edition of Silicon Valley Poland Days 2019. We cordially invite you to participate in US-Poland Science and Technology Symposium that will take place on May 1-3, 2019, in Silicon Valley and on the Stanford University campus.

Poland Days 2019 | US-Polish Trade Council

Education in China is a state-run system of public education run by the Ministry of Education. All citizens must attend school for at least nine years, known as the nine-year compulsory education, which is funded by the government. Compulsory education includes six years of primary education, starting at age six or seven, and three years of junior secondary education (junior middle school) for ...
