A school bus is a type of bus owned, leased, contracted to, or operated by a school or school district. It is regularly used to transport students to and from school or school-related activities, but not including a charter bus or transit bus. Various configurations of school buses are used worldwide; the most iconic examples are the yellow school buses of the United States and Canada.

The Flxible Co. (pronounced "flexible") was an American manufacturer of motorcycle sidecars, funeral cars, ambulances, intercity coaches and transit buses, based in the U.S. state of Ohio. It was founded in 1913 and closed in 1996. The company's production transitioned from highway coaches and other products to transit buses over the period 1953–1970, and during the years that followed ...
