Sir Anthony Mason Chambers' barristers practice at all levels of seniority in a broad range of areas. More information about our areas of practice is available here. Each barrister is a sole practitioner, conducting individual practice as a specialist advocate and provider of advice and other legal services.

Barristers | Sir Anthony Mason Chambers

In common law legal systems, precedent is a principle or rule established in a previous legal case that is either binding on or persuasive for a court or other tribunal when deciding subsequent cases with similar issues or facts. Common-law legal systems place great value on deciding cases according to consistent principled rules, so that similar facts will yield similar and predictable ...

United States corporate law regulates the governance, finance and power of corporations in US law. Every state and territory has its own basic corporate code, while federal law creates minimum standards for trade in company shares and governance rights, found mostly in the Securities Act of 1933 and the Securities and Exchange Act of 1934, as amended by laws like the Sarbanes-Oxley Act of ...
