The Wild Hunt is a folklore motif that historically occurs in European folklore. Wild Hunts typically involve a ghostly or supernatural group of hunters passing in wild pursuit. The hunters may be either elves or fairies or the dead, and the leader of the hunt is often a named figure associated with Odin (or other reflections of the same god, such as Alemannic Wuodan in Wuotis Heer ("Wuodan's ...

Historically, the early English kings have a reputation for living high on the hog and pleasing themselves at the expense of the people they ruled. It was not always so. In the Dark Ages and medieval times many of them missed out on a trouble free reign culminating in a State Funeral. We know very little about the first several hundred years of the Anglo-Saxon era.

A short-short story (300 words on the average, although 500-word examples exist), ending in a pun

or a punchline that is pretty obviously the only reason for the story's existence. The telling detail in a Feghoot is the groan emitted by the reader/listener when he hits the punchline. In essence, an Overly Pre-Prepared Gag in short story form.. Named for the character Ferdinand Feghoot, created ...

As I discussed last week, Tinder has been an incredible enabling agent in women's slutification. Every day that goes by the women of the West become more and more like men. Quicker to have sex, more likely to have multiple partners, and recently—more likely to have multiple partners at the same time. Over the past few years I have noticed a few “tells” girls inadvertently provide which ...
