Recent conflict between indigenous people and a self-styled indigenous state in Bolivia has brought to the fore some of the paradoxes and contradictions within the concept of indigeneity itself. The contemporary politics of state sponsored indigeneity in Bolivia has as much capacity to create new inequalities as it does to address old ones and there is a conceptual deficit in understanding ...

Belonging: Australians, Place and Aboriginal Ownership. And are the sites of all our deep affections to be contested, articulated, shared, foregone or possessed absolutely? The book cleverly interweaves Read's analysis (and personal quest for belonging) with the voices of poets, musicians, artists, historians, young people, Asian Australians, farmers and seventh generation Australians.
