David Foster Wallace writes well about failure possibly because he is obsessed with tennis, and tennis is the sport most rooted in failure, besides maybe baseball. In Chad Harbach’s *The Art of Fielding*, a character reflects on the fact that baseball is an especially cruel sport not only for recording “errors” as an official statistic, but ...

*Infinite Jest* is a 1996 novel by American writer David Foster Wallace. The novel is widely noted for its unconventional narrative structure and its experimental use of endnotes (there are a total of 388 endnotes, some with footnotes of their own). It has been categorized as an encyclopedic novel and made Time magazine's list of the 100 best English-language novels published between 1923 and 2005.

1889 quotes from David Foster Wallace: ‘The so-called ‘psychotically depressed’ person who tries to kill herself doesn’t do so out of quote ‘hopelessness’ or any abstract conviction that life’s assets and debits do not square. And surely not because death seems suddenly appealing. The person in whom Its invisible agony reaches a certain unendurable level will kill herself the same ...

David Foster Wallace There are these two young fish swimming along, and they happen to meet an older fish swimming the other way, who nods at them and says, "Morning, boys, how's the water?" And the two young fish swim on for a bit, and then eventually one of them looks over at the other and goes, "What the hell is water?"
