Dance Questions - All Grades. Pirouette is a complete turn of the body on one foot on demi point or point. Turnout is the ability of a dancer to turn his or her feet and legs out from the joints. In a demi plie your heels do not come off the floor. Dance is an art form that is expressed through movement. En Pointe means standing on your toes.

Dance Questions for Tests and Worksheets - Help Teaching

1. Start by addressing the elements of movement, as described on the worksheet. Have the students explore all the different movement possibilities, including locomotor movement (walking, running, skipping) and non-locomotor movement (bending, stretching). 2. Then, one at a time, introduce the other elements of dance: time, space, energy, and body.

ARTSEdge: Elements of Ballet

In dance, the body is the mobile figure or shape, felt by the dancer, seen by others. The body is sometimes relatively still and sometimes changing as the dancer moves in place or travels through the dance area. Dancers may emphasize specific parts of their body in a dance phrase or use their whole body all at once.
