Time zone note: Lord Howe Island is offset +10:30 from UTC, and advances only 30 minutes in the summer, the only place in the world that does so. A few resort islands in Queensland, and all of Western Australia, have observed daylight saving time in some recent summers. Broken Hill, New South Wales has sometimes followed South Australian time.

Australia States - Statoids

Abortion in Australia is largely regulated by the states and territories rather than the Federal Government. The grounds on which abortion is permitted in Australia vary by jurisdiction. In every state, abortion is legal to protect the life and health of a woman, though each state has a different definition.

Abortion in Australia - Wikipedia

Australia has multiple time zones. Some of them are half-hour and quarter-hour time zones. Not all states and territories use Daylight Saving Time (DST).

How Many Time Zones Are There in Australia?

Australia sends 20 million tonnes of garbage to landfill every year. With thousands of sites across the nation, it's hard to track exactly how many there are, where they are, and what's filling them.

Explainer: how much landfill does Australia have?

A minor does not require parental consent or notification except in Western Australia, where in the event of the woman being under 16 years of age one of her parents must be notified, except where permission has been granted by the Children's Court or the woman does not live with her parents.

Minors and abortion - Wikipedia

Under the Disability Discrimination Act 1992, Australian Government agencies are required to ensure information and services are provided in a non-discriminatory accessible manner. Australia.gov.au has been designed to meet the Australian Government standard established in respect of this requirement.

Australia - Land: Australia is both the flattest continent and, except for Antarctica, the driest. Seen from the air, its vast plains, sometimes the colour of dried blood, more often tawny like a lion's skin, may seem to be one huge desert. One can fly the roughly 2,000 miles (3,200 km) to Sydney from Darwin in the north or to Sydney from Perth in the west without seeing a town or anything ...
