To begin, we first examined whether being in a leadership role brought with it any challenges of having a pre-existing friendship. This, indeed, seemed to be an issue that haunted participants, as A2 puts it: "If you get dragged off from your area and become a group leader, they shouldn't put you in front of your own men again, they should put you somewhere else".

Am I a leader or a friend? How leaders deal with pre-existing friendships - ScienceDirect

Dyads: The relationship between any two individuals involves two connections, not one. Each person has their own perception of the connection's strength. It is possible—and, in fact, common []—for these perceptions to be unequal. Triads: Friendship networks can be analyzed by looking for triads—groupings of three people with at least two relationships between them.

One of the cornerstones of red pill truth is in men coming to terms with what amounts to (in most cases) half a lifetime of feminine conditioning. It's interesting to consider that there was a time (pre-sexual revolution) when a man wasn't in some way socialized and acculturated in his upbringing to give deference to the...
