Lewis, Clark, and other members of the Expedition began writing in their journals, a practice that continued throughout the journey. Map-making was equally important, particularly in the previously unexplored regions. As the explorers encountered new rivers and streams, they were responsible for naming them.

Reverse Design: "Monticello" The reverse of the 2006 nickel features the classic, familiar rendition of Monticello, President Thomas Jefferson's Virginia home, originally executed by artist Felix Schlag and first chosen to adorn the coin's reverse in 1938. However, the 2006 reverse design is crisper and more detailed than Americans have seen it ...
