Mu Alpha Theta Math Honor

History. The Mu Alpha Theta National High School and Three-Year College Mathematics Honor Society was founded in 1957 by Dr. Richard V. Andree and his wife, Josephine Andree, at the University of Oklahoma. In Andree's words, Mu Alpha Theta is "an organization dedicated to promoting scholarship in mathematics and establishing math as an integral part of high school and junior college education".

An honor cord is a token consisting of twisted cords with tassels on either end awarded to members of honor societies or for various academic and non-academic achievements, awards, or honors. Usually, cords come in pairs with a knot in the middle to hold them together. Sometimes sashes, stoles, or medallions are given in place of cords.
