Narcissism: Behind the Mask. This work shines a light on the reasons why narcissists are like they are, and on the pain and suffering they inflict on the codependents around them - and, more importantly, it shows how both can move towards winning back control and regaining happiness in their lives.

### **Narcissism: Behind the Mask by David Thomas - Goodreads**

In other words we are asking what are the root causes of Narcissism which lead to the individual behaving as they do . It is well recognised that the person underneath "the mask " is very different to the one we see...the mask typically covers up feelings of inadequacy, shame , inferiority , fragility and low self esteem to mention a few .

### **Narcissism-The Secrets Behind The Mask - Narcissism**

How narcissists protect themselves from their own falls from grace. Pathological narcissism is the version behind the mask. People high in pathological narcissism become miserable when things don't go their way, particularly when they are forced to confront their inadequacies by others who shun them and cause them to feel small. The "normal" variety of narcissism is found to more or less

a degree in everyone.
