Alternative narrative: OP is caught up in the hype for the premiere and got curious about where some of the actors from GoT live . They read a few articles talking about how Peter Dinklage lives a simple life out in the mountains of New York State and thinks to themselves that is a rather interesting TiL for a major current actor to be living that sort of life.

While crack pairings may show up in crack fics, the two are not necessarily related. A Crack Pairing could very well be treated in a dead serious and realistic way, just like a Crack Fic can be gen, or only about traditional pairings.. Note that when characters are given some kind of relationship, no matter how unhealthy, insane, or weird their relationship is, it's no longer a true crack pairing.
