### **Politics In Medieval Europe**

Slavery had mostly died out in western Europe about the year 1000, replaced by serfdom. [dubious - discuss] It lingered longer in England and in peripheral areas linked to the Muslim world, where slavery continued to flourish. Slavery became more widespread in Ireland throughout the 11th century, as Dublin became the biggest slave market in Western Europe.

The medieval papacy. Although much about the early popes remains shrouded in darkness, scholars agree that the bishops of Rome were selected in the same manner as other bishops—that

is, elected by the clergy and people of the area (though there is some evidence that some of the early bishops attempted to appoint their successors). Elections were not always peaceful, however, and rival ...
