Egon Schiele (German: ()); 12 June 1890 – 31 October 1918) was an Austrian painter. A protégé of Gustav Klimt, Schiele was a major figurative painter of the early 20th century. His work is noted for its intensity and its raw sexuality, and the many self-portraits the artist produced, including naked self-portraits. The twisted body shapes and the expressive line that characterize Schiele's ...

The Problem Few other subjects in school take the trouble to help students learn how to generate original ideas, designs, and composition. In art class, even though the ability to generate ideas is central to the process of art and central to the success of artists, many art teachers do not realize that idea generation can be intentionally taught.
