Economist | Definition of Economist at Dictionary.com

Ana Lankes is an assistant news editor at The Economist and works on the paper's Open Future initiative. Before joining the paper, she was an intern at the BBC, the Global Public Policy Institute and Global Witness, a transparency organisation.

Debates

Economics, a discipline and set of methodologies within the social sciences, can be described in a multitude of ways. The field focuses on the distribution, consumption, and production of wealth; one can also say that economists study human behavior and choice regarding buying and selling. Economists use key concepts such as the law of supply...
