I cannot over-sell the awesomeness of the Mid-Michigan Academy of Martial Arts ! They are so good with the kids' classes, teaching discipline and goal-setting, but in a fun way; the instructors are very capable and very kind; the results in the kids are pretty much immediate; and junior instructors like Scott and Connor are pretty much the best walking PR a place like this could ever hope for.

Vital to the discipline of martial arts, the aim is to educate students about respect for all people in their lives. This includes parents, teachers and society; integrating discipline on law and order matters and guiding students on how to set and achieve goals; and most evidently, teach them self-defence as a means, not to inflict harm, but to equip them with protection tools.
