Skulduggery Pleasant Box Set

Premise. The premise of the novel is that magic is real and those with the ability to wield it live among us. Magic is split into many "Schools" or disciplines, the two main groups being Elemental (which concentrate on magic involving the classical elements of fire, earth, air and water) and Adepts (which is split into many other disciplines, some more obscure than others, examples being ...

Villains will appear in strictly ascending order by menace.. This trope has ancient roots. Possibly the earliest example, at least in the English language, is the Older Than Print epic Beowulf.It just makes good sense that as our heroes fight the forces of evil, they should get better at fighting the forces of evil. So as the story progresses, the fights should get easier and easier.
