"Not with another country, not with terrible diseases and plagues, not with ruthless dictators. We are at war with ourselves." Red, blue, purple — America is a tangle of ideologies all pulling in different directions. These days, as the debates rage on, the map no longer seems to show state lines — but ideological battle lines.

### **Divided States of America - Wikipedia**

In Divided States of America, FRONTLINE set out to examine how the Obama presidency gave way to one of the most polarized eras in American history. In making the documentary, our journalists conducted dozens of interviews over hundreds of hours. They spoke to top White House officials, members of Congress from both parties, experienced reporters and other key experts.
