The above Crude Oil chart shows a \$2000 profit in less than 24 hours, had one followed the signals.. This proprietary line virtually automates Buy and Sell decisions for Traders and Investors. We use it daily to call signals for our Bend~The~Trend newsletter (a free version is available via the 'Subscribe' button above).

Futures911 - Futures Trading, Trading Charts & Signals

As a Contributing Editor for optionMONSTER, I produced the Index Trader blog, providing intraday timing signals and targets in S&Ps and other futures markets. I publish my analysis throughout each trading session at IfThenSignals.com, where I also host a live "charting room" webinar to graphically depict my patterns, setups and parameters live in real-time.

If, then... Market Timing - If, Then... Market Timing
