Pros and (Comic) Cons is officially up for preorder!. This is the first time seeing my writing published in print and I am... so hype. Dark Horse has teamed up with editor Hope Nicholson for a new anthology, following on the heels of The Secret Loves Of Geek Girls and The Secret Loves Of Geeks. In Pros and (Comic) Cons, we'll find stories that explore the "mad world of comic conventions and ...

For this installment of #bookcovercrush, we talked to author/ illustrator Katie Skelly and cover designer Keeli McCarthy about their design process for My Pretty Vampire. The book follows Clover, a vampire who escapes captivity at the hands of her own brother to find freedom - and human blood - in the real world.
