

Understanding Disability Inclusion Access Diversity And Civil Rights

Understanding Disability Inclusion Access Diversity

Inclusion is a term used by people with disabilities and other disability rights advocates for the idea that all people should take action to freely accommodate people with a physical, mental, cognitive, and or developmental disability. For example providing ramps and accessible toilets in meeting facilities or providing additional intervention and resources in the education system are known as ...

Inclusion (disability rights) - Wikipedia

Access & Inclusion is an educative hub on practices inclusive of disability within The Australian National University community. We assist students who have a disability, medical condition or who are recognised primary carers of a person with a disability to participate fully in their program of study by providing advice, supports and adjustments that minimise the impact of disability in ...
