Ryan: Hello, we'll return you to your movie, "The Man Who Would Be Queen", in just one moment. But first, have we got an offer for you! Colin: As long as there's been ant farms, there's been music about ant farms. And if that isn't the truth, it would be a lie. We have compiled an incredible collection of ant-farm-related songs.

Though women artists have been involved in the making of art throughout history, their work, when compared to that of their male counterparts, is often both overlooked and undervalued. Prevailing stereotypes about the sexes have caused certain media, such as textile or fiber arts, to be primarily associated with women, despite having once been categories both men and women participated in ...

The sex machine arrived at my doorstep in a large, blessedly unmarked box. Inside was The Motorbunny, all 32.9 lbs of it, prone and ready for all manner of fuckery. The Motorbunny, a more "affordable" version of the famous/infamous Sybian, is ride-on sex toy that's somewhere between ride-on lawn mower and the mechanical bull in *Urban Cowboy*, a movie I never saw but feel comfortable citing in ...

I write screenplays and direct movies. I read advice columns. Advice columns are full of conflict. Good screenplays are full of conflict. People who write to advice columnists are usually looking for help in having a difficult conversation. Most advice-column advice comes down to "Have you tried telling that person what you just told me?"...
